## **Financial Agreement**

Your insurance policy is a contract between you and your insurance company. As filling your claims is a courtesy, we cannot accept responsibility of negotiating claims with your insurance company and or other persons. Please understand that verifying your dental insurance is not a guarantee of payment. Taking this into consideration, you as the patient/guardian are ultimately responsible for any payment your insurance company may not remit, regardless of claim status. Also note, payment is due at the time services are rendered unless; other arrangements have previously been made.

The type of treatment you need and receive from Northwoods Dental Spa is based on Dr. Blaess's and Dr. Zebrowski's professional judgment and, not whether you are covered by a dental insurance. The best dental care can be provided only on the basis of mutual understanding. We therefore, encourage our patients to discuss any questions he or she may have concerning our policies.

I have read and understood the above financial agreement. A photocopy and/or carbon copy of this agreement are to be considered as a valid original.
